

Stephanie Meadows, Project Manager

"I'm a great believer in luck, and I find the harder I work, the more I have of it." Thomas Jefferson

Stephanie is a Nashville Native, born and raised in Murfreesboro. She graduated from MTSU in 2016 unsure of her career paths. She started a career in real estate and quickly learned she was more interested in the building process than selling. This encouraged Stephanie to go back to school and get a degree in Land Development

and Residential Building from MTSU.

Upon Graduation, Stephanie started her career in building with a national track builder. Although she liked the building process, she found more of an interest in custom homes. Her next move was to the Hidden Valley Homes team in 2021 where she works as a project manager.
